

Night of Flight

A new event you won't want to miss! What's better than flying high while raising funds for GREAT Futures? This unique event will feature helicopter rides for our guests and select youth leaders from each Club. Fly over our area of the state and see the beauty of where we live. Give youth the chance to make a dream come true by sponsoring a Club member to have the chance to take flight. Be a part of this monumental, first of its kind, event on September 13, 2018.
