# Summer at the Club

## Boys & Girls Clubs of Greater Northwest Indiana's Summer Kidstop

### About Portage Summer Kidstop

Summer Kidstop is filled with fun, educational and fitness activities. All of our staff are trained and certified in CPR and have cleared a background check. Members are safe in the hands of our staff who have training and experience in working with school-aged children.

Summer programming is designed to prevent summer learning loss in youth. We focus on keeping members learning while having fun and getting exercise.

### Meals Included

Summer Kidstop provides breakfast, lunch and an afternoon snack every day at no additional cost. Members can bring their own lunch if they wish.
